Payment Terms

The DEKRA Congress Center has subcontracted the invoicing of the conference fee to the company CCO Creative Consulting GmbH. The invoice will be sent out in mid-July. The payment deadline is 14 days after receipt of the invoice.

1. **Cancellation/reduction** of bindingly registered number if participants
 - 1.1. until 29.05.2020 is free of charge.
 - 1.2. after 29.05.2020 100% of the conference fee will be charged.
 - 1.3. Name changes can be communicated until 04.09.2020.
2. The KSK Symposium Armament is a closed event. The invitation to the event will only be issued after approval by the area development of the Special Forces command.
3. For reasons of military security, publication of this event of any kind, for example in social media, on websites, emails, advertisements, etc. is prohibited.
4. **Cancellation clause**

The KSK reserves the right to change the conditions of participation in a justified case. Should political or economic circumstances or force majeure prevent, restrict, change the dates and / or times or the character of the symposium, the participants are not entitled to withdrawal and have no claim for compensation. If the symposium cannot be opened, the participant fees remain the property of the DEKRA Congress Center up to the amount of the costs incurred until then.
5. The signer agrees to the collection, storage and dissemination of the provided company data to third parties for organizational purposes.
6. The signer, acting for and on behalf of the aforementioned company, hereby declares that they are acting in full knowledge that this is a legally binding contract which becomes effective immediately upon signature of the contract.
7. **Other and Severability clause**

Should individual provisions of this contract be or become ineffective, the validity of the remaining provisions shall not be affected. Instead of the invalid provision, the contracting parties shall replace it with an effective provision clause, which comes economically closest to the originally agreed clause. The above conditions apply mutatis mutandis in the event of a regulatory gap.
